

January News

Mrs. Darling's Kindergarten Class

Literacy News

We are continuing through Unit 3 in our reading series. We are learning about how things change over time. High Frequency words for this month are: see, look, they, of, you. We are learning about verbs this month.

In writing we are focusing on stretching our words, using punctuation, and using upper case letters where they belong.

Please encourage your child to read and write at home.

Students will now be responsible for writing both first and last names on all assignments. Please have your child practice this at home too. Thank you!

Peacebuilders

Each day we work on being a peace builder. In January and February we will be talking about wise people in our lives and in our history.

Math

In math we are learning about measuring in Unit 6. We will be learning about prisms, cylinders, cones, pyramids, and spheres in Unit 7. We will also be learning about making equal parts.

No school Friday January 13th

No school January 16

Report cards will be issued on January 31st.

Science and Social Studies

We will be learning about Dr. Martin Luther King Jr. this month. We will also be learning more about winter weather.
