

## Monthly Newsletter

### The All Star Program

A new treat for the students this year is our new incentive program in the cafeteria. Students have an opportunity to win an Ice Cream Sundae.

Students that help out in the cafeteria earn a ticket which goes into the fish bowl and twice monthly names are drawn for a special party with Mrs. Nogueira. This month's winners are, Ashley Costa, Gaspar Morais, Isaiah Medina, Luke Lariviere, Dorothee Suprenant, Mason Almeida, Jaime Jackson, Tyrel Raposa, Jenna Ruel and Taylor Pickup. Keep up the great work.

This month Peacebuilders are working on **Giving Up Put Downs**. Many students are earning the special peacebuilder coins from Mrs. Nogueira. If they save their coin until June 2010 and return it they will receive a special surprise.

Check out our new bulletin boards in the lobby for new information each month. Also there are some great essays written by our students.

Counseling and support is always available to students and families contact Mrs. Nogueira.
