## Miss Chudzik's Classroom Newsletter

### Welcome to Fourth Grade

Welcome to Room 241! We have been working very hard already in fourth grade. The students and I have spent time getting to know one another and learn new things about each other! The class has been working on collecting compliments and is off to a wonderful start. We have even been recognized in the hallways by other teachers for our good behavior. One of the things that is very important in our classroom is treating one another with kindness and respect. After reading the story, *The Giving Tree*, we brainstormed a list of things we could give to one another. We came up with things such as compassion, humor, friendship, praise and honesty. Each student chose a word that was important to him or herself and wrote it on an apple. We created a classroom giving tree! Be sure to take a look at it when you visit on Open House!

### Reminders

- Remember to read and practice your facts every night!

### Thank You Parents!

A special thanks to all of those parents who donated classroom supplies to us! We really appreciate it!

### This Month's Highlights

#### Math

This month we will be learning about all types of graphs. We will collect data to create our own graphs!

#### Writing

To start the year off right, we are setting goals for ourselves and making a classroom goal book.

#### Reading

We will be reading a variety of short stories. Two strategies we have been focusing on are sequencing events and author's purpose.

#### Science

We will do doing experiments that help us explore weather.

### Upcoming Events

- No School- Friday September 4<sup>th</sup> and Monday September 7<sup>th</sup>
- Early Release- Thursday September 17<sup>th</sup> @ 12 noon
- Open House Monday Septmeber 21<sup>st</sup> 6:00-7:30

### The Birthday Corner
