

Counselor's News

PeaceBuilders: During this month and next we are working on praising others and respect. Our students have just participated in a wonderful celebration, International Peace Day. This ties in beautifully with our PeaceBuilders program that we have introduced into the school. To learn more about this great program feel free to contact me anytime. We also have several lessons that can be used at home with the family.

I will be doing some groups in the near future for the students. We have a social skills group for fourth graders, a tough times club for first and second graders (going through a family change) and a recess club for second and third grade. The lunch bunch is an ongoing club that happens daily and anyone is welcome. This club gives the students an opportunity to talk about an issue they are having or just invite some friends to a small and quiet setting for a nice lunch and sharing time.

Communication Board: New this year in the lobby, take a look. Ideas and Suggestions welcome.
