PTO News:

Parents,

My name is Renee Perry and I am the current PTO president. I am writing this letter to notify you of our PTO at Fairhaven High School. Our first meeting will be held **Monday, November 2, 2009 at 6:30 pm in room 115** of Fairhaven High School. I am sure you are aware of PTO's from your child's earlier school years. We are much more than that. Your child is becoming an adult and over the next four years you will see many changes and issues arise. We want to help your child in the process. We work with the students, parents and school staff to encourage and make those changes easier on all of us. At each of our meetings we listen, talk and discuss anything you as a parent might want to talk about. We have students and other guest speakers address the group in many different ways. Our parents are what makes us strong and therefore strengthens our child's high school experience. We understand the importance of parent participation. When our children reach high school, most times they start to drift away from us. By being a participant in your child's high school PTO you see first hand how these changes are occurring before you are hit with them at home. We are a vocal and active group who want only the best for your child and all students at the high school. We could not do this without your support and attendance at the meetings. We hope to see you at our meeting on Monday.

F.H.S. Honor Society Car Wash

Sunday, October 3rd the Honor Society held a car wash from 9:30 to 12:30. A steady flow of cars pulled up in front of the high school, raising a total of 370 dollars. Some of this money will be used to supply food for the upcoming honor bowl to be hosted at Fairhaven High on November 4th and some will be used for various community services. The Honor Society would like to thank all members who washed cars and sold tickets. They would also like to sincerely thank everyone who supported the Honor Society by participating in the car wash.
