

CHILDREN WITH DISABILITIES

The Fairhaven Public Schools seeks to identify all Fairhaven children who have a disability and require special education services. If you suspect that your child has a disability please contact the guidance department or principal of the school your child attends to discuss the need for a referral to special education. If your child is not yet in school or attends a private school please contact the office of the Director of Special Education at 128 Washington St. Fairhaven, 02719, 508-979-4000 X 17.
