

Week 4 Resources & Enhancement Activities

Grade: 4

Week of: April 13 - April 17th

Guideline:

We worked hard to ensure that the Learning Plan provides accessibility for all learners. We hope that you see that there are options to engage learners at all levels. *These activities are not intended to replace the normal school day. For the elementary level, students are to turn in one student chosen **At this time we are expecting you to turn in one activity of your choice to your Teacher.*** We want you to take time to enjoy family, be safe, stay healthy and find time within this week to engage in learning opportunities. Feel free to create a schedule that works for you and your family. We strongly encourage each student to participate in approximately two hours a day. We want your brain working and challenging yourself, while staying safe and having fun.

[Comparing multi-digit whole numbers word problems \(video\)](#)

Sort multi-digit numbers

THOUSANDS			ONES		
hundred thousands	ten thousands	thousands	hundreds	tens	ones

To write the numbers in order from greatest to least, sort the numbers by the largest digit in the leftmost place.

89421, 54891, 15582, 54843

If two digits are the same, compare each digit until one is larger than the other.

89421, 54891, 54843, 15582

For assistance with Weekly Task:
 (#1-3 only)

1. Don't forget to line up your decimals.
2. \$20.00 -
3. Remember... you are buying food for **3** people. * two-step problem*
