

# CP and Honors Juniors Enrichment - Week 4

Teachers: Mr. Constant, Ms. Daley, Mrs. Whinnem

We worked hard to ensure that the Learning Plan provides accessibility for all learners. We hope that you see that there are options to engage learners at all levels. *These activities are not intended to replace the normal school day.* We want you to take time to enjoy family, be safe, stay healthy and find time within this week to engage in learning opportunities. There is now an expectation for students to turn these documents in to your specific educators. Feel free to create a schedule that works for you and your family. We strongly encourage each student to participate in approximately two hours a day. We want your brain working and challenging yourself, while staying safe and having fun.

## Learning Focus

Supporting Community & Review of Pieces of an Argument

## Objective

Students will look at how they are coping and how they can help others to cope as well. Students will work on developing claims, supporting them with evidence, and explaining them.

## Essential Question

What makes life bearable?

## Learning Products Options

We ask you to complete a Tic-Tac-Toe row of your choosing and submit three different products.

Use specific examples of why that's true.	<b>Town Tour</b> Choose a character that we have read about in class. Argue what 5 places should he/she see in Fairhaven and why. - ❑ Audience - Consider the audience: how would they best be persuaded? What examples would best convince them? Why would an average person care?
- ❑ Reasoning - Make sure you explain why you believe these things
- ❑ Result - How would this make others feel?
