

## Fairhaven Public Schools - World Languages - Suggested Learning Activities (13apr - 17apr)

For week four, there is the expectation that your teacher will collect your work on or before Friday. There are new options in addition to existing vocabulary practice and working on anything that is listed as missing or zeros in X2. Example: missing projects, presentations, etc. Anything that can easily be done remotely. If you have any questions, please email your teacher directly.

We want you to take time to enjoy family, be safe, stay healthy and find time within this week to engage in learning opportunities. Feel free to create a schedule that works for you and your family. You may want to work through these options for a minimum of two hours a week. We want your brain working and challenging yourself, while staying safe and having fun
