Reading Notes

We have begun Unit 2 of our reading series. The unit theme is communities. This unit covers all long vowels using the CVCe pattern. For example: take, like, cute...

The targeted/tested skills that it covers are:

- identifying the main idea of a story
- cause and effect

We are working on reading fluency. (reading like they are talking)

***November book order due in the 7th if you would like to order from it.**

Math Notes

Soon our class will begin Chapter 3. They will be learning about adding and subtracting. They will add numbers with sums to 12. They will also be subtracting from numbers up to 12. Please help reinforce these skills with your child at home.

First grade is where they begin to build the foundation skills in math that will serve them for their entire school years and beyond!
