

March news from Ms. Hamric.....We keep active during these cold snowy days by moving to various dances. We had fun learning the Snowflake dance in February and Macarena dance this month. We will also learn an Irish Jig for St. Patrick's Day....I'll be sure to wear my Irish kilt for that lesson. If I knew of a Spring Dance, I'd be sure to teach it in hopes of bringing on the warm and sunny weather a bit earlier! .....Grades K-2 will learn of friendship and kindness from the book, "Irving and the Violin".... A great Peacebuilder lesson....We will also learn about the violin and the names of each part of the instrument....All grades will watch the famous drummer, Max roach and how rhythm can be heard in various ways....That's all for now.....til next time.....Ms. Hamric.
