

March News

Mrs. Vieira's Class - lvieira@fairhavenps.org

Reminders

Don't forget to turn in Book-It forms. This is the last month for this program. Also, please return library books by Thursday. It makes it easier for our volunteers to get them back on the shelves.

A Peek at Our Weeks

We will be talking about inventors, Dr. Seuss (whose birthday is March 2), the day and night sky and have a little fun with St. Patrick's Day.

Upcoming Events

We are very excited about the invention convention on March 26th. The kindergarten children spent time with their third grade buddies on Friday talking about ideas and problems to solve. They came up with some great plans. If you have any questions about this, please let me know.

Important Dates

March 26th - Spaghetti supper and Invention Convention - Hope to see you there

Helping At Home

It is very important that the children practice their reading books and high frequency words at home. The skills and words are getting harder and the extra practice is so important.
