

ARTS FOR ALL NEWSLETTER Jan. 2012

Hi Parents and friends of the Arts.

Artists in every grade level will be Working towards making great art and picking their best art piece to put in the art show!

*Kindergarten will be learning about the book Elmer and how being different is alright. They will also be doing some painting. Dress for a mess.

*First Grade will be reading The Big Orange Spot and making their dream house. I love this book because it shows kids to follow their own dreams no matter how silly.

*Second graders will be finishing their snowman. They will also be getting into some Native american art by weaving and making pinch pots.

*Third grade will be making some space painting. They also will be exploring the artist Vincent Van Gogh and perspective.

*Fourth will be making grids which is learning how to enlarge a picture. They will be also exploring some scratch art.

fifth graders graders will be creating 3D name kaleidoscopes using color theory. Exploring new painting techniques too!

We will be doing some more painting projects in the future. Most of what is used in the art room is washable paint but sometimes the paint can get rubbed in. Students would do better if they had their own art smock!!

Art Stars

Ava L. (KEB)

Jamesyn S. (1JT)

Jaiden D. (2C)

Kailee R. (3DP)

Juilette S. (4SL)

Samantha C. (5C)
